

FOREST ECOTHERAPY WAIVER

- I understand that participation in Forest Ecotherapy is voluntary, that being outside in nature may have unforeseeable physical risks, and I take responsibility for my own choice of actions.
- I understand that Forest Ecotherapy does not include TreeGirl Photography®, and neither I as participant, nor the facilitator/s, will participate in the nude. The removal of any footwear or clothing for a sensory experience is my own choice and garments securely covering my reproductive organs will be worn at all times.
- I understand that participation in Forest Ecotherapy is educational and spiritual in nature, that Julianne Skai Arbor is not a licensed clinical therapist or medical professional, and this session does not take the place of clinical psychotherapy or medical treatment.
- I agree to refrain from taking mind-altering substances and at least 24 (ideally 36) hours in advance of the session. (This includes medical marijuana.) I understand my session may be cancelled without refund if this is not followed. I agree to disclose the use of any Rx medications that may alter my behavior before the session.
- I give permission for documentary style photos to be taken of me which may be used for promotional purposes on the TreeGirl.org website, related social media sites and promotional material.
- I hereby release and agree to hold harmless **“Julianne Skai Arbor”, “TreeGirl Studios LLC”,** its staff, employees and other respective legal representatives, agents, licensees and assigns, from any harm, claims, damages or liability that may arise out of or in connection with my participation in Forest Ecotherapy with TreeGirl Studios LLC.

I certify that I have read and fully understand the contents of this document, have the full legal right to execute it, and that I intend it to be binding upon myself and my heirs and legal representatives.
